A Warning From Seattle to Amazon’s HQ2
Submitted by Alexandra Colley Dusablon on January 8, 2019 - 10:14am

In this New York Times op-ed, Professor Margaret O'Mara reflects on the impact of large tech companies like Amazon on the cities in which they establish their headquarters. They bring high paying jobs and can encourage other successful start-ups, but they also bring significant growth challenges to the city's residents and governments.
