Where in the World are UW History PhDs?
Our PhD graduates hold faculty positions in colleges and universities around the world, teach in middle and high schools, conduct research for various organizations, work in software development and financial investment, and have published many books. PhDs Around the World is an interactive map that allows you to follow some of their careers. **Click on the icons to find out more!**

This tool is intended to provide current and prospective graduate students with a better understanding of the breadth of career options available to history PhDs, and to inform the wider community about the global impact that our alumni have, in academia and beyond. [Click here for more info.](#)
